“From Bed Side to Laboratory--Colon Cancer Metastasis”

PURPOSE STATEMENT
To discuss what is happening in translational research concerning the colon cancer studies.

OBJECTIVES:
After attending this lecture, participants will be able to:
1) Become familiar with the concept of cancer stem cells
2) Comprehend the concept of tumor microenvironment
3) Apply a patient-derived xenograph model to study colon cancer metastasis

Speakers:

Li Li, MD, PhD
Director, Laboratory of Translational Cancer Research
Tom & Gayle Benson Cancer Center
Ochsner Clinic Foundation
New Orleans, Louisiana

David A. Margolin, MD
Professor and Director and Rectal Surgical Research
The Ochsner Clinic Foundation
The University of Queensland School of Medicine,
Ochsner Clinical School, New Orleans, Louisiana

ACCREDITATION
The Ochsner Clinic Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION
The Ochsner Clinic Foundation designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
